- (a) Gopal Krishna Gokhale
- (b) Surendranath Banerjee
- (c) Motilal Nehru
- (d) Lala Lajpat Rai
- (e) Dadabhai Naoroji

Answer: E

The south London home where Dadabhai Naoroji, a prominent member of the Indian freedom struggle and Britain's first Indian parliamentarian, lived for around eight years at the end of the 19th century has been honored with a commemorative Blue Plaque. Naoroji spent seven spells in England, five of them in London. In 1886, he stood for Parliament in the general election as a Liberal candidate for Holborn in central London.

The Blue Plaque scheme, run by the English Heritage charity, honors the historic significance of particular buildings across London. Naoroji's plaque was unveiled on Wednesday to coincide with the 75th-anniversary celebrations of Indian Independence.

9. Which IIT has signed an MOU with the All India Council for Technical Education to develop solutions to problems of accessing water, electricity, and internet for the AICTE-affiliated technical institutions in North-East India?

- (a) IIT Delhi
- (b) IIT Bombay
- (c) IIT Kanpur
- (d) IIT Kharagpur
- (e) IIT Guwahati

Answer: E

Indian Institute of Technology Guwahati is partnering with the All India Council for Technical Education (AICTE) to develop solutions to problems of accessing water,

electricity, and internet for the AICTE-affiliated technical institutions in North-East India.

IIT Guwahati and AICTE will work towards capacity-building in these institutions to promote Research and Development and enhance the quality of education in remote regions of North-East India. Through Phase 1 of the project, a total of 416 kW of power has been generated that would help laboratories, offices, and street lights to function uninterrupted. Further, at many institutions drinking water sources were either not adequate or untreated containing significant levels of iron and arsenic.

10. When is International Lefthanders Day is celebrated every year?

- (a) August 15
- (b) August 13
- (c) August 17
- (d) August 14

(e) August 16

Answer: B

International Lefthanders Day is celebrated every year on 13 August to mark the uniqueness of left-handed people around the globe. There is a saying that using the left hand to give and take something is considered a sign of disrespect.

Left-handed people have a chance to recover faster after facing a stroke. As the left side of our brain is responsible for language functioning, the lefties can get back their language abilities quicker. Our brain is cross-wired which means the right side of the brain operates the left side of the body and vice versa. Thus, lefties use the right side of the brain more than the left one.

August 4th week Current Affairs MCQ

1. Which portal has been launched by the union government to bring together all the awards of the various Ministries of the government under one platform?

- (a) Rashtriya Puruskar Portal
